

This is a great book to not only discuss Mother's Day, but the animal world, too. The colorful illustrations will appeal to young children. Great read aloud for younger children.

Martha Simpson is Head of Children's Services at the Stratford Library in Connecticut. Martha and her husband have four grown children, and she fondly remembers all those Mother's Day breakfasts. ***What NOT to Give Your Mom on Mother's Day*** is her first picture book.

Jana Christy has illustrated a number of picture books. She lives with her husband and two sons in Massachusetts.
